Continuation of Substance of Interview including description of the general nature of what was discussed: Mailed two office actions on 7/14/06, in regards to the instant application. Spoke to Attorney, Nelson Quintero and clarified that the correct office action included prior art reference, Austin et al. US 6396726 B1, and should be regarded as the action for the instant application, and the remaining action should be disregarded. Explained that a written interview summary would be sent out to officially clarify and correct this matter.
